

## Sustainability and CSR

- We are focussed on products that are
  - produced in a controlled organic husbandry
  - manufactured according with the GOTS rules
  - made of Ahimsa or wild silk
  - originated from a Fair Trade business or cooperation
  - sold directly by the producer
  - manufactured without child labour

- For assembling we are cooperating with the local handicrafts in Leipzig
- Our demand we like to cover with regional suppliers in Saxony
- The delivery is executed climate neutral with GoGreen by DHL or totalzero by DPD)
- We use recycling or recycled packaging materials
- Our advertising flyers are printed on recycled paper
- The stationery is made of recycled material
- We avoid paper prints for internal use
- Our power sockets are supplied by Green Energy from The citizen-owned plant EWS
- We buy 100% bio-gas for heating at POLARSTERN
- The money we confide in the GLS Bank that acts ethically responsible with our funds
- Our websites and data are hosted CO<sub>2</sub>-free by STRATO in Germany
